Cumberland Sporting Club Clothing Refund Policy

Effective August 1st, 2015 through 2016

Full refunds for CSC clothing and teamwear will be issued if the clothing is shown to be faulty or damaged upon client receipt. A refund request must be formally made via email on the day of the client receiving the product. The request can be sent in an email to info@cumberlandsc.ca, accompanied by a photo of the faulty product.

In any other circumstances, **no refunds will be given.** Therefore, please ensure that you have properly sized your product before ordering and that you are certain of your colour choice. As these are made to order, shirts that do not fit properly cannot be exchanged.

After a period of two weeks, any undeliverable products or clothing, due to a failure on the part of the client to make reasonable arrangements for pickup or delivery, will become the property of Cumberland Sporting Club. **Please direct any questions to info@cumberlandsc.ca.**
